fingerprinting children for Crime Stoppers

## CrimeStoppers

The Lincoln Police Department along with the Logan County Sheriff's Department continue to partner with the Lincoln/Logan County Crime Stoppers organization to help combat crime and get tips for crimes that have happened.

Crime Stoppers sponsors the fingerprinting program that supplies parents with the information necessary for law enforcement if their child becomes lost or abducted. They have fingerprinted hundreds of Logan County children at several events over the years.

Crime Stoppers offers rewards up to \$1000 for tips that lead to an arrest. Reward amounts are based on the type of crime and the information that was provided. Sometimes information that people may know that they don't relate to a case may help in breaking a large case wide open, so we always suggest calling in with information no matter how insignificant someone may feel it is. Please call 217-732-3000 with any information and you can remain anonymous.

### DARE/Community Policing

February 1<sup>st</sup> -5<sup>th</sup>: Sgt. Miles Craig taught DARE at the Lincoln Junior High School. Sgt. Craig spent the week with the 6<sup>th</sup> Grade classes (around 145 students). They talked about side effects of alcohol and drugs, making good decisions, and consequences.

February 3<sup>rd</sup>: I paid a visit to the 3<sup>rd</sup> grade class at Northwest School. I took the kids snacks, pencils and stickers. The 3<sup>rd</sup> Graders were able to ask me some questions about being a Police Officer. We talked about following the rules and being good citizens.

February 4<sup>th</sup>: I went to see the kindergarten class at Northwest School. I read the kids a book about being a Police Officer. We talked about being safe. At the end of the visit, I gave the students pencils, stickers and granola bars. I was given lots of hugs on the way out!

February 9<sup>th</sup>: I was at Adams School to visit the first grade class. We had snacks and talked about being safe. The first graders asked a ton of questions about laws and being a good helper in the community. The kids were given stickers, pencils and snacks.

February 19<sup>th</sup>: I participated in the Wellness Expo at the Lincoln Park District. I brought pencils, erasers, stickers and bookmarks. We talked about the importance of wearing seatbelts, the side effects of heroin and methamphetamine, stress relief, and internet safety. The Friday event was for 5<sup>th</sup> graders only.

February 22<sup>nd</sup>: The Odd Fellows donated over 250 t-shirts to the DARE program this year for all 6<sup>th</sup> graders in Lincoln. Thank you to the Odd Fellows! I spent the day delivering these shirts to the Lincoln Junior High School, Carroll Catholic, Zion Lutheran, and Chester East Lincoln Schools.

February 23<sup>rd</sup>: David Lanterman called and talked with me about an issue he was having with some Lincoln Junior High students. David stated some kids come into By The Bean daily and enjoys having a place for the kids to hang out, but kids will be kids! Some of the Junior High kids have started to become loud and obnoxious while at the coffee shop. David asked if I could help in any way to assure the kids they are welcome but stated they must display polite manners. That day I went to By The Bean around 3:15 p.m., as the Junior High kids arrived. The kids know me from being in the schools, so I greeted them at the counter. I treated about 15 kids to coffee and snacks with DARE funds. After everyone had their coffee, I sat and talked with the kids. I informed them that I would be stopping by every now and then to buy coffee for the kids present at the time. I told them that I would be keeping in contact with the employees at the coffee shop, and if they had any complaints about how the kids were acting, my deal was off. They all agreed to “police” each other and make sure they are acting like they should be in hopes I would continue to treat them to free coffee.

February 26<sup>th</sup>: I donated \$150.00 to the Lincoln Heat Baseball program. The donated money goes towards entry fees for tournaments, equipment, and facilities.
